VTech® Announces VoIP Supply as New Partner and Distributor for Hospitality

[Tigard, OR] — [17/09/2025] – VTech Hospitality, the world's largest manufacturer of hospitality telephones, today announced VoIP Supply as its new partner and authorized distributor for the hospitality market in North America.

Renowned for delivering stylish, customizable, and dependable communication solutions, VTech Hospitality guest room and admin phones are approved by all major hotel brands worldwide, making them the trusted choice of hoteliers seeking performance and guest-focused design.

Through this new partnership, VoIP Supply will expand access to VTech's industry-leading hospitality products, providing hotels and resorts with streamlined purchasing, exceptional service, and the technical expertise that VoIP Supply is known for.

"VTech is proud to partner with VoIP Supply, a recognized leader in VoIP distribution," said Chad M. Collins, Senior Vice President, Sales at VTech Hospitality. "This collaboration will strengthen our ability to deliver reliable, brand-approved solutions to the hospitality industry while ensuring hotels receive the dedicated support they deserve."

"We are honored to be chosen by VTech as a hospitality distributor," said Paula Griffo, President of VoIP Supply. "VTech's reputation for innovation and reliability aligns perfectly with our commitment to serving the hospitality market."

With VoIP Supply's established distribution network and VTech's global reputation for quality, this partnership ensures that hoteliers can continue to provide guests with world-class in-room communication solutions.
