KEY FEATURES

- Handset with antibacterial plastic inhibits 99.9% of bacteria growth
- Handset available in matte black and silver black, resists fingerprint smudges and scratches
- Handset Speakerphone: hands-free conversations are easy with a touch of a button
- Remote configuration: program network parameters remotely to avoid disturbing guests
- Hidden Base allows for flexible room placement and reduces cabling costs
- The flexibility to mix and match up to 4 accessory handsets
- Supports up to three Snom M1 SIP DECT repeaters to extend the range up to 500 feet
- Supports up to two handsets behind the M1 DECT repeater connection

Cordless Features

- DECT 6.0* technology eliminates interference from wireless networks and other wireless devices for superior sound quality
- Built-in speakerphone on cordless handset
- Handset battery life: up to 7 hours of talk time with 5 days of standby time
- Expandable cordless system: up to a total of 4 cordless handsets
- Backlit handset dialpad
- Adjustable RF transmission power prevents interference
- Calls are digitized and encrypted, making eavesdropping nearly impossible

- Low battery indicator on cordless handset for easy maintenance
- Quickly locate all cordless handsets in the system using the Find Handset key
- Side handset volume control for easy access
- Pre-installed handset batteries reduces time and labor costs during installation
- Answer a call by simply picking up the handset from the charger

* This feature is available for US and Canada market only.

Phone Features

- Large, bright visual message waiting indicator on handset
- Base unit supports PoE or local power
- Pass Thru Ethernet Port (10/100)
- Supports VLAN Tagging
- Dedicated EMERGENCY & MUTE buttons, plus two additional customizable speed dial / guest service keys on handset
- Hearing aid compatible
- Multi-step volume control (ringer, handset and speakerphone)

- Base, desk or wall mountable
- Sturdy, solid construction ensures phone stays in place on the desk or nightstand
- Environmentally friendly RoHS program reduces the use of hazardous substances including lead, mercury and cadmium
- SIP configuration tool for easy mass deployment
