Hardware & Design

- **2.8-inch (7.11 cm) Colour Display:** Features an extra-slim LCD frame on the base.
- **Compact Design:** Offers an ultra-small footprint.
- **Sturdy Construction:** Ensures the phone stays securely in place on a table or desk.
- **Mounting Options:** Includes a desk or wall-mountable base unit.
- **Antibacterial Plastic:** Inhibits 99.9% of bacterial growth.
- **Special Finish:** Resists fingerprint smudges and scratches on the handset rear and base plate.
- **Customisable Faceplate:** Ideal for hotel branding and dialling instructions.
- **Environmentally Friendly:** Meets RoHS programme standards to reduce hazardous substances like lead, mercury, and cadmium.

Calling & User Experience

- **LCD Display:** Supports real-time caller ID, date, time, and message notifications with programmable auto-timeout, complete deactivation mode, and custom hotel logo uploads.
- **Power over Ethernet (PoE):** Allows telephone features to work seamlessly without AC power.
- **Base Dial Pad:** Provides additional operational convenience.
- **High-Quality Base Speakerphone:** Enables clear, hands-free communication.
- **Removable Speed Dials:** Supports up to 10 removable, programmable speed dials on the base.
- **Non-removable Speed Dials:** Includes one fixed, programmable speed dial.
- **Flash, Hold, and Mute:** Provides standard, essential telephony functions.
- **Visual Message Waiting Indicator:** Instantly alerts guests to new messages.
- **Multi-Step Volume Control:** Adjusts audio levels easily for the ringer, handset, and speakerphone.
- **Hearing-Aid Compatible:** Ensures full accessibility for users with hearing aids.
- **Selectable Ring Tones:** Offers multiple customisable choices to suit any hotel environment.

Networking & Management

- **Compatibility:** Fully compatible with all major PBX systems.
- **10/100/1000 Mbps RJ45 Switched Computer Port:** Provides high-speed internet access (HSIA) for guest computers.
- **VLAN Tagging Support:** Facilitates advanced and secure network management.
- **Advanced SIP Configuration Tool:** Enables easy mass deployment and remote phone monitoring.
