

Mounting guide

1. Tape this mounting guide onto the wall, aligning it with the desired mounting spot.
2. Press a pencil or pin through the crosses on the mounting guide to mark the hole positions on the wall.
3. Remove the mounting guide and use a pencil to clearly mark the hole positions again for better visibility.
4. After marking the hole positions on the wall, you can follow the steps provided in the quick start guide to drill the holes and insert screws.
