VTech Communications Receives a 2015 Communications Solutions Product of the Year Award

VTech's ErisStation® VCS704 Conference Phone with Four Wireless Mics Recognized for Industry Innovation

BEAVERTON, Ore., August 26, 2015 — **VTech Communications Inc.**, a wholly owned subsidiary of VTech Holdings Limited (HKSE: 303), announced today that [TMC](#), a global, integrated media company, has awarded the **VTech ErisStation® Conference Phone with Four Wireless Mics** a 2015 Communications Solutions Product of the Year Award.

“VTech is thrilled to receive this award from TMC recognizing our conference phone featuring four wireless mics. Every business can benefit from the ErisStation in small, medium and large rooms. Several features contribute to natural-sounding, clear conversations, including echo cancellation, noise suppression and an audio equalizer, all which help to enhance the overall conference call experience.” said Graham Williams, vice president, VTech Business Phones.

With the ErisStation, everyone can get in on the conversation—whether they're at the conference table or not. It comes with two fixed microphones and four DECT 6.0 wireless microphones featuring Orbitlink Wireless Technology™. Meeting participants can spread out and speak without having to raise their voices, regardless of conference room size. Advanced audio features like acoustic echo cancellation, automatic gain control and dynamic noise reduction ensure premium, interference-free sound quality, improving conferencing for both sides of the conversation. Plus, integrated design makes it easy to charge the microphones right in the base and keep everything together. VTech also offers [two microphone](#) and [four microphone SIP](#) models of the ErisStation conference phone line.

“Congratulations to VTech for being honored with a 2015 Communications Solutions Product of the Year Award,” said [Rich Tehrani](#), CEO, TMC. “The

ErisStation conference phone is truly an innovative product and is amongst the best solutions that facilitate voice, data and video communications brought to market in the past twelve months. I look forward to continued excellence from VTech in 2015 and beyond.”
